Narrator. Good morning, Ladies and Gentlemen! Welcome to our Halloween party! Today you will see a competition of for teams. This competition will help us to remember an unusual holiday - Halloween. So all the tasks are connected with this funny and at the same time scary holiday.

Начинается показ слайдов презентации, на ее фоне ученик читает стихотворение.

It's Halloween! It's Halloween!
The moon is full and bright
And we shall see what can't be seen
On any other night:
Skeletons and ghosts and ghouls,
Grinning goblins fighting duels,
Werewolves rising from their tombs,
Witches on their magic brooms.
In masks and gowns we haunt the street
And knock on doors for trick or treat.
Tonight we are the king and queen,
For oh tonight it's Halloween!

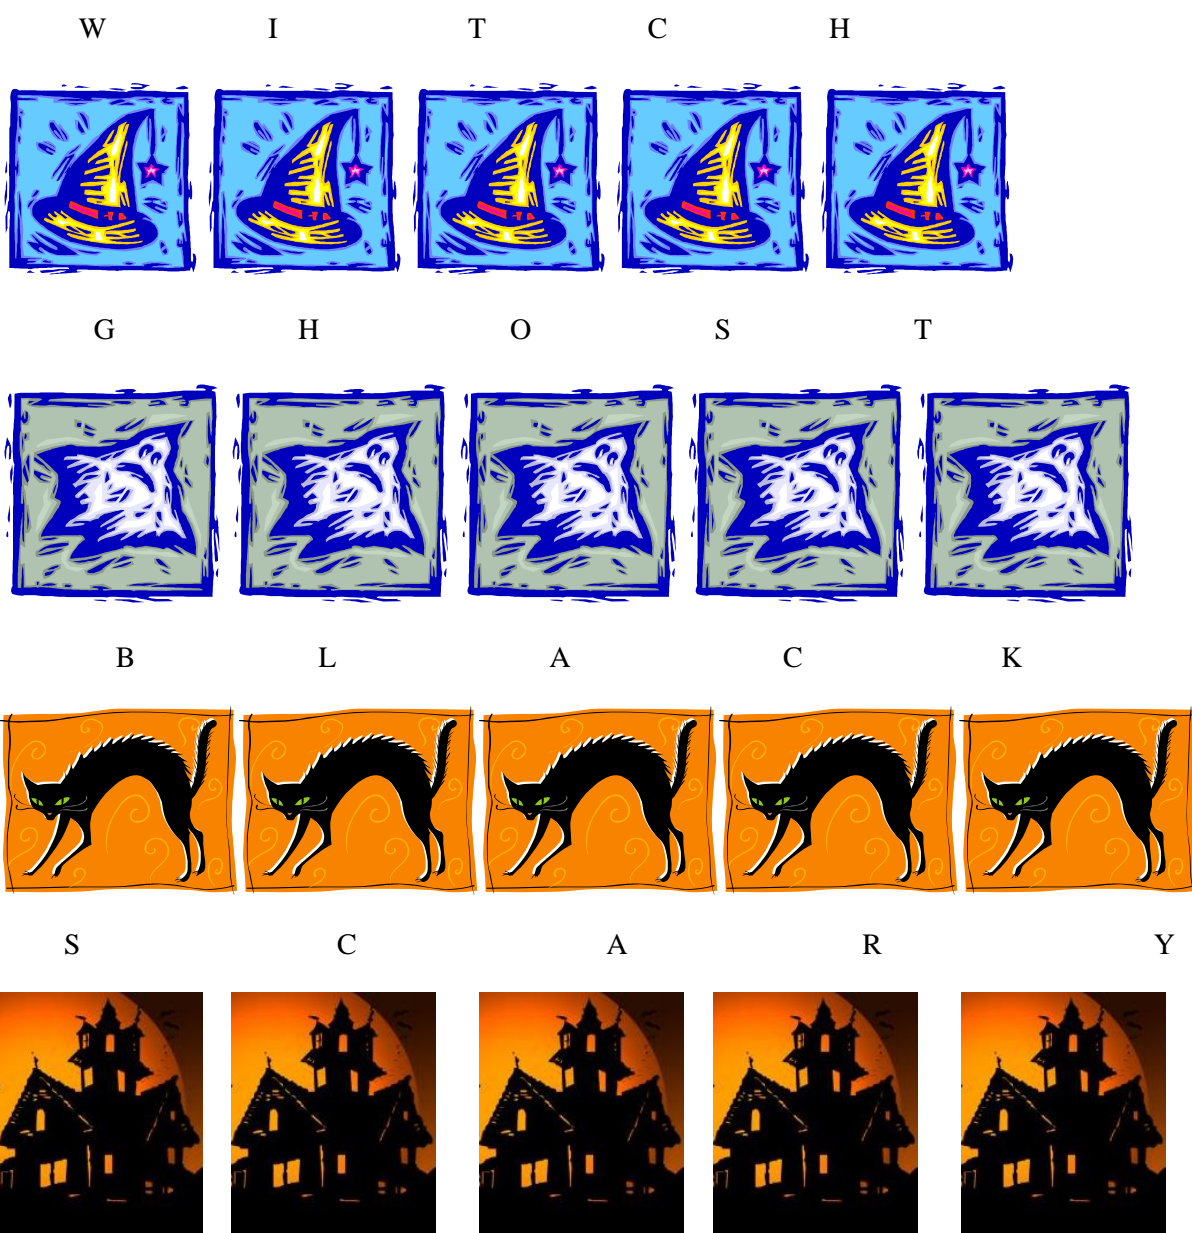

Narrator. First of all let's brush up our knowledge about Halloween

Ученики рассказывают историю празднования Хэллоуина.

We celebrate Halloween every year on October 31st. Where does the holiday come from? The holiday originally comes from a people called the Celts. The Celts lived in Europe more than 2000 years ago. On November 1st they celebrated the end of summer. They thought ghosts visited the living on October 31st. They dressed up like ghosts so the spirits would not harm them. Today, many countries still remember the dead on November 1st. It is called All Saints Day. Another name for it is All Hallow's Day. The day before, October 31st, is called All Hallow's Eve, or Halloween for short. Halloween is an old tradition in Ireland and Scotland. In those countries, people dressed up and carried lanterns made of turnips. When people moved from Ireland and Scotland to the United States, they started using pumpkins. This is where the jack-o'-lantern comes from. They also had a tradition of giving food to the spirits. Later, they gave the food to poor people. This is where trick-or-treating comes from. Halloween has changed a lot since its origins. New people have brought new traditions, and changed the old ones.

Now let's meet our teams. Please find your partners using the cards. Each card has got a letter. Arrange the letters so that they will make a word. It will be a name of your team.

Нужно вырезать из цветной бумаги 5 оранжевых колпаков ведьмы (witch's hats), 5 белых привидений, 5 черных кошек, 5 замков и так далее по числу команд. На каждой из шляп напишите по букве слова «witch», на каждом привидении – по букве слова «ghost», на каждом доме – по букве слова «scary» а на каждой кошке – по букве слова «black». Эти таблички вы выдаете ребятам, как только они появятся(до урока). Когда придет время играть, объясните им, что все, у кого окажутся одинаковые таблички, образуют команду. Задача каждой команды – найти все фигурки своей команды и собрать их них слово.

Narrator: So, what are the names of the teams? (Witch, Black cat, Ghost, Scary и так далее) Excellent! Now the rules of our competition. You will have to do some tasks, connected with the holiday.
