# CARTOONS

(click and check)

People of all ages like cartoons. We went to the cinema yesterday to see an action film when, suddenly, I \_\_\_\_\_ a poster for a cartoon.

I'm the \_\_\_\_\_ among my friends, so I wasn't sure they'd want to see the cartoon too, but they did. Even Mike didn't mind.

"I \_\_\_\_\_ the action film anyway. Let's watch a cartoon for a change," he said.

It was a story about four \_\_\_\_\_.

They saved an injured cat that \_\_\_\_\_  
Bart.

The cat recovered but \_\_\_\_\_ to leave his new friends.

They had funny adventures together. "I think I \_\_\_\_\_ the cartoon again, together with my girlfriend." Mike said on the way home.

# KIM

Kim had always been the brightest student in her class and had never worried before her exams. But the week before the finals she felt \_\_\_\_\_ and uneasy.

\_\_\_\_\_ for her, the exam she was taking first was Physics — the subject she didn't feel very good at. Kim didn't like Physics. Some students in her class thought that it was a very important subject but she didn't see any \_\_\_\_\_ use

in it. Since her \_\_\_\_\_, reading was Kim's hobby. At school, Kim preferred literature to other subjects and wanted to become a \_\_\_\_\_ or a journalist, not a scientist. And journalists don't need Physics, do they?

## THE 1 ST OF SEPTEMBER

I remember my first day of school in detail. It was a nice bright September morning when my mum \_\_\_\_\_ me to a large school ground. There were lots of kids and parents there. At first I felt uneasy as I \_\_\_\_\_ any of them. I wanted to go inside but the doors \_\_\_\_\_. "Look around," my mum said. "There are so many \_\_\_\_\_ here. Don't be afraid. I'm sure you will make friends with them very soon". Almost every child had a bouquet of flowers and I felt very proud because my bouquet was the \_\_\_\_\_.

Some men and women in the centre of the playground were telling us about their school years. “Look at that woman, mum”, I whispered pointing at a dark-haired woman with a microphone. “She \_\_\_\_\_ to the Head of the school now. I’m sure that I \_\_\_\_\_ her. Her face looks very familiar. But I can’t remember where and when I saw her. Later I found out that she was a TV presenter for an educational programme for young children and a graduate of our school.

# MUSIC

I love music. Since my \_\_\_\_\_,  
I've played many \_\_\_\_\_ musical instru-  
ments: the piano, the guitar, and even the  
drums.

My music \_\_\_\_\_ sometimes says that  
I have a gift for music, and I hope she's right.

\_\_\_\_\_, I've joined our school band and we  
are going to take part in a modern music concert.

\_\_\_\_\_, we couldn't participate in the  
city music competition as it was our exam time.
